## HIGH-CONCENTRATION HYDROGEN OXYGEN SUCTION MACHINE

### Other hydrogen products

#### HYDROGEN WATER GENERATOR TUMBLER

You can make hydrogen water with negative reduction potential. Hydrogen oxygen gas can be added to any beverage, not just mineral water.

#### HYDROGEN OXYGEN GOGGLES

Attached to "my mother", hydrogen can be absorbed directly from the eyeball. By applying pressure inside the goggles, it is designed so that hydrogen oxygen gas can easily enter the eyeballs.

#### HYDROGEN BATH PUMP HYDRO BUBBLE

It is set with ceramic stone for bathtub. By dissolving hydrogen oxygen gas in the water of the bath at home, hydrogen oxygen can be taken into the whole body by percutaneous absorption.

# For your family's health and happiness

Keep your mind and body healthy and beautiful

## HYDROGEN BATH AGENT SUPER RELAX H2

100% natural rock salt, sea salt, and sugar cane bath salt. A naturally derived hydrogen bath additive made from powdered sugarcane, which is gentle on the skin and contains natural mineral ingredients and highly moisturizing power.

## H2 SUPPLEMENT

It is a hydrogen supplement that uses natural weathered reef coral from Okinawa Prefecture, which has a porous structure that is optimal for hydrogen storage, and has undergone a unique hydrogen generation process on coral calcium.

## NANO DIAMOND & SILK FACE MASK

A face mask that combines the regenerative power of silk and the power of nanodiamonds that enhance the effect. Made of almost 100% silk, it has a high degree of adhesion and can be used for a long time. It also improves skin hydration.

## TOTAL BALANCE HEALTH JELLY

Powerfully supports the power that protects your precious health. It is recommended for those who want to take preventative measures, those who have difficulty with immunotherapy, and those who often meet people.

## H2 MIST

An introductory lotion that awakens the skin's natural beauty. A hydrogen lotion that dissolves hydrogen into calcium ion water. An introductory lotion with a fine mist shower that moisturizes the skin and adjusts the skin environment.

## SILK SHAMPOO

This is a silk amino acid shampoo that overturns the common sense of cosmetics, with 70% of the total silk extract extracted with a unique technology that does not use any patented chemicals from pure domestic eyebrows.
